Greetings Friends:

The Beulah Grove Community Resource Center (BGCRC) is a 501(c) 3 not for profit community service agency operating in the 30901 zip code area of Augusta/Richmond County, Georgia since 1993. We are writing you concerning a sponsorship opportunity with the 2019 Mattie B. Burney Scholarship.

Today, the BGCRC is continuing to fulfill our mission statement. We are elated as we approach the tenth annual Mattie B. Burney Scholarship Golf Tournament. The mission of the Mattie B. Burney Scholarship is to take a giant step forward in assisting low to moderate income high school seniors and college freshmen on their journey to a higher education. Miss Mattie B. Burney was an advocate for assisting students with funding who could not afford to attend college but desired to further their education.

Over the past ten years we have given out scholarships totaling \$46,500 to students who are committed, dedicated and moving forward in their future. In 2019, our goal is to raise \$15,000. How can you help? We are inviting you to join us as a partner of this great endeavor. What better way to make a commitment to the community than to assist students with gaining a higher education. You can be assured that your organization would have an extraordinary impact on our ability as partners to reward deserving individuals with support and affirmation.

Below are some details pertaining to sponsorships:
